## WELCOME MESSAGE

We have the pleasure to invite you to participate in the First International Growth and Development Conference-2017 (IGD-2017), to be held in March 16-18, 2017 in Dubai, United Arab Emirates (UAE). The IGD Conference-2017 highlights the theme "Healthy Ageing: Paediatric to Geriatric".

Health is a basic human right!!! Optimizing individual physical, social and mental well-being is an essential element of health development throughout the life course.

The IGD Conference-2017 with the theme of Healthy Ageing: Paediatric to Geriatric is the first conference to be held in the region. It will feature leading keynote speakers, session speakers and poster presenters. Researchers will present their research on topics related to healthy ageing, along with age-related changes in metabolism and body composition, as well as the effects of conditions that develop during the ageing process.

The conference provides a great platform for multidisciplinary collaboration between medical professionals, scientific and public health researchers from around the world!!

We look forward to welcoming you to IGD Conference-2017 in Dubai the charming city of beautiful coasts, historical monuments, and magnificent attractions.

**Dr. Ayesha Al Dhaheri**  
Chair of the Conference,

## INVITATION TO SPONSOR

Dear Industry Partners,

Greetings from International Growth and Development Conference-2017 (IGD-2017)

We are pleased to inform you that we are organizing the International Growth and Development Conference-2017 on March 16-18, 2017 Dubai, UAE. The conference highlights the theme "Healthy Ageing: Paediatric to Geriatric". The IGD Conference-2017 will feature leading keynote speakers, session speakers and poster presenters. They will be presenting their research on topics related to healthy ageing, along with age-related changes in metabolism and body composition, as well as the effects of conditions that develop during the ageing process. The conference provides a great platform for multidisciplinary collaboration between clinical, scientific and public health researchers from around the world!

In this regards, we look forward for possible sponsorship in terms of financial support from your side. Your contribution to the conference will greatly persuade the quality of planning and sustainability of the event. Nonetheless, your generous sponsorship will be highlighted that will help you promote your company and services which is very much related to the topic as well as our target participants for this event.

We also look forward to continue our cooperative opportunities with your esteemed Organization in order to achieve success locally and internationally.

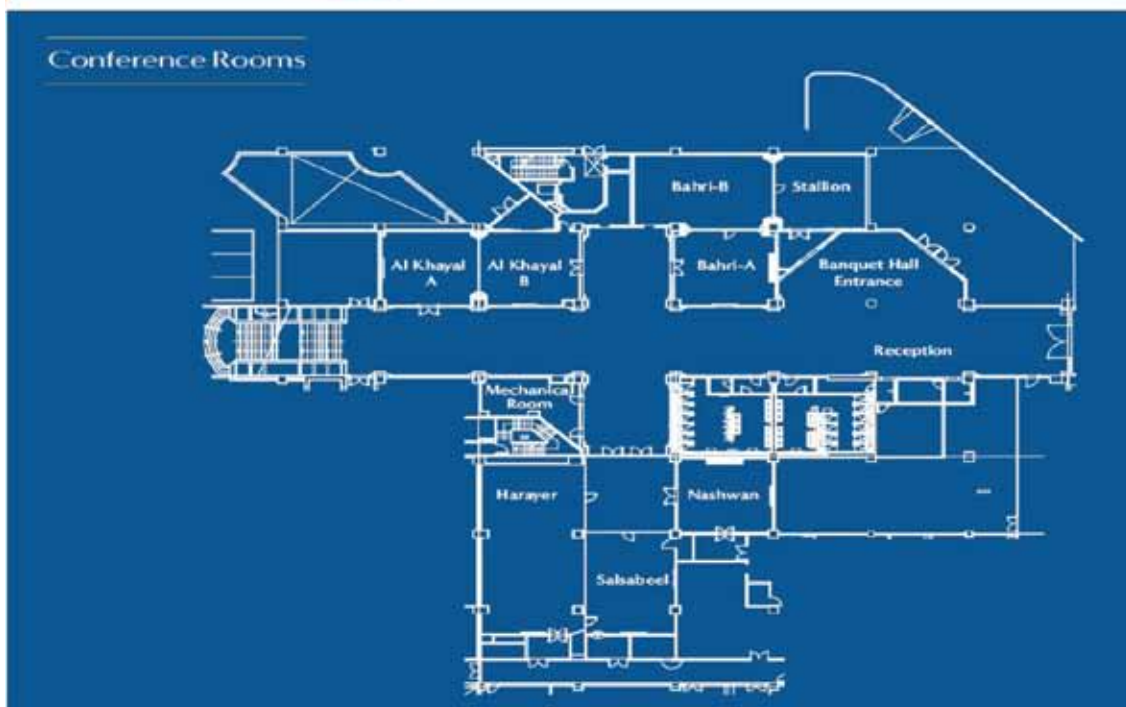

On behalf of the organizing committee, I would like to thank you in advance for your expected support.

We look forward to seeing you in March 2017! Sincerely yours,

**Dr. Ayesha Al Dhaheri**  
Chair of the Conference  
IGD Conference 2017

## SPONSORSHIP OPPORTUNITIES

Be one of the sponsors on a certain fund grade; funds then will be used to offset the cost of expenses.

The event will be promoted around United Arab Emirates and other neighboring GCC countries. Advertisements through emails, flyers, banners and collaborators websites to provide awareness of the training workshop will be facilitated and hence would give opportunities to promote your company's activities.
